### Description of the discipline

Discipline "PHILOSOPHY" provides knowledge of philosophy as the historically first form of worldview knowledge, the basis of the spiritual culture of the individual, humanity in general, or the totality of worldviews in general and the attitude of man to this world, in terms of ontological, epistemological, axiological and axiological; research of philosophical problems taking into account specificity of the future professional activity of the student. The objective of the lectures is to acquaint students with the main theoretical and methodological problems of philosophy, world experience and the current state of philosophical thought in Ukraine; promote conviction of the fundamental importance of free self-determination for every person; to learn to grasp the truth with one's own mind and ability to relate worldview ideas with the practice of social life; to educate students as a highly respected personality who understands that their self-realization is impossible without involvement in the cultural heritage of humankind, an integral part of which is philosophy.

**Criteria, forms of ongoing and final control**

The total score (on a 100-point scale) of the discipline "PHILOSOPHY" is defined as the weighted average, depending on the proportion of each component of credit:

<b>Scorer module 1</b>	<b>Scorer module 2 (rector control work)</b>	<b>Scorer module 3 (final score of the CPIT, taking into account the current survey)</b>	<b>Graduate module 4 (exam)</b>
20%	20%	20%	40%
1.Oral examination during class (6 topics of 10 points each = 60 points) 2. Written work = 40 points.	1. Oral survey during class (6 topics of 10 points each = 60 points) 2. Written work = 40 points.	1. Writing the <b>CPIT</b> , which includes choosing a topic, drawing up a work plan = 50 points.  2. Trainings = 20 points 3. Protection of <b>CPIT</b> = 30 points	1. The answer to two questions, each of which = 40 points, and in the end = 80 points 2. Solving 10 tests worth 2 points each = 20 points

## Evaluation policy

- **Deadline and relocation policies:** Modules are reassigned with the permission of the dean's office if there are good reasons (such as a hospital).
- **Academic Integrity Policy:** Writing-offs during tests and exams are prohibited (including using mobile devices). Mobile devices may only be used during online testing (for example, Kahoot).
- **Attendance Policy:** Attendance is a mandatory component of the grade for which points are earned. For objective reasons (such as illness, international internship), training may be provided on-line, in agreement with the course leader.

### Students Assesment Scale

<b>ECTS</b>	<b>Mark</b>	<b>Content</b>
A	90-100	excellent
B	85-89	good
C	75-84	good
D	65-74	satisfactory
E	60-64	enough
FX	35-59	unsatisfactory with reassembly
F	1-34	unsatisfactory with reassembly
