Weekly hours – 2 hours;		Type of final control: exam

**2. The purpose and task of studying the discipline
"Foreign language (English) "**

2.1. The purpose of studying the discipline

The working program was developed taking into account the international practice of language education in universities, the "All-European Recommendations on language education" (ZER, 2001) regarding the levels of language proficiency and the main provisions of the "English language program for professional communication" by the team of authors: G.E. Bakaeva , O.A. Borysenko , I.I. Zuyenok and others. (recommended by the Ministry of Education and Science of Ukraine, Letter of the Ministry of Education and Science of Ukraine No. 14/18.2-481 dated March 2, 2005).

Based on the fact that the level of language proficiency B2 (independent user) is the standard for a bachelor's degree, the work program and thematic plan of the discipline "Foreign language (English)" are oriented to the thorough preparation of students to achieve the B2 level. The goal of the course is the formation of professional communicative competence, which allows you to communicate effectively in an academic and professional environment. Studying the discipline "Foreign language (English)" involves not only mastering language knowledge, mastering speaking skills, familiarization with the socio-cultural and pragmatic aspects of English for lawyers, but also the integration of language skills with the content of the "International Law" specialty.

2.2. Name and description of competences , the formation of which ensures the study of the discipline.

GC 4. Ability to communicate in a foreign language.

2.3. Prerequisites for studying the discipline.
